

Oakland Bulldogs Elite Catchers Camp

Since 2011 the Oakland Bulldogs program has produced 17 collegiate catchers, which include 4 from last years class (2019). Our goal is to share some of the extensive content that our players receive during the season. We have been excited with the continuing success and growth of the Elite Catchers camp over the last 4 years. With the amount of participation expected this winter we are only reserving 30 spots for this years program.

Our Bulldogs coaching staff and former players will be running the catching program over the holiday break at the Varsity Shop Training Center. This camp is designed for travel players of all ages looking for exposure to our program. Players will be broken up into groups based on age and skill. Former Bulldogs will bring back experience from their current schools and professional organizations to be hands on with each participants development.
